

Digital Media Developers Group

Jan. 8, 2004 Meeting Notes

Old Business:

ITAB Report - Kay Dinolfo

- Jim Rosier from OSCA is the chairman of this group for the next year. The statewide survey of Web applications is done.
- The e-mail infrastructure committee has given their recommendation to ITAB, OIT and the Governor's office for consideration. One state e-mail infrastructure will allow calendar scheduling across agencies.

Web Accessibility – Kay Dinolfo

- Don't forget Kevin's classes at MOTEC, two in January and one in March.

DMD/Web Promo Conference – Kirk Keller

- No update at this time.

Apache Upgrade – Steve Owens

- Working on it this Sunday. Htdig will be completely reindexed; also includes non-Services Web servers. HT Access file may be a problem is stored locally, there may be some broken redirects.

New Business:

- Erica mentioned some tips and tricks on Security hacks on Web applications. She attended a security class at MOTEC from Security PS out of Kansas. The group thought this would be a good topic for a DMD meeting.

Agency Projects/Open Discussion:

- There is a Good Web Design class at MOTEC taught by MOREnet. Some of the group wondered if this class covered Web accessibility.
- Erica mentioned Mozilla with Firebird and plug-ins is a good Web Development Tool. You can go to mozilla.org and download this browser.
- Peggy mentioned the newly designed Attorney Generals Web site is up.
- Debbie mentioned MoDNR has implemented a new design also.

Next monthly meeting is **February 5** from 1:30 p.m. until 3 p.m. in room 500 of the Harry S. Truman building. **We nominate for a new co-chairperson who serves as the meeting facilitator in February then vote in March. Kay Dinolfo has offered to stay as the other co-chairperson who serves as the ITAB liaison.**
